**IRRIGATION & CAD (PW) DEPARTMENT**

**G.O.Ms.No. 92**

**Dated: 07 -09-2010.**

**Read:**

From the ENC (Irrigation), Hyderabad, Letter No.ENC(I)/DCE  
IV/OTM5/ S2/152/2010 dt: 30.06.2010.

**ORDER:**

The Engineer-in-Chief (Irrigation), Hyderabad, in his letter read above, has informed that M/s. Sentini Beverages Private Limited has filled an application in State Level Single Window Clearance Committee (SLSWCC) and requested to accord permission for drawl of 325 KL/day by lifting water from Muniyeru River by constructing a Pump House on the left Flank of the Muniyeru River near Gandapalli (V), Kanchikacherla (M), in Krishna District to cater to the needs of Industry. Further, the Superintending Engineer, Irrigation Circle, Vijayawada in his letter No. DB/JTO7/149 ENC(I), dt. 14.5.2010 has reported that the average inflows of water in Muniyeru River is 25 TMC .The Utilization of Muniyeru Anicut is only 4 TMC .The remaining is surplus to the D/s.of Anicut .

2. Further the Engineer-in-Chief (Irrigation), Hyderabad, has also stated that the Superintending Engineer has reported that the actual requirement of water to the Industry is 0.13 cusecs or 4 Mcft /Annum which is very meagre and may not effect upper and lower riparian rights .The proposals are furnished in prescribed proforma duly counter signed on the certificate of existing U/s utilizations and lower riparian rights by Superintending Engineer, Irrigation Circle, Vijayawada. He has stated that the Superintending Engineer has reported that there may not be any objection to accord permission to draw 0.13 Cusecs or 4Mcft /annum of water, such small quantity from surplus water from the Muniyeru River to the proposed Industry. The Engineer-in-Chief (Irrigation), Hyderabad, has requested the Government for necessary permission to draw 4 Mcft/Annum or 0.13 Cusecs or 325 KL/day by the Firm M/s. Sentini Beverages Pvt .Ltd, from Muniyeru River at Gandapalli (V),Kanchikacherla (M), under consumptive use with usual Terms and Conditions subject to the concurrence of District Collector, Krishna.

3. Government after careful examination of the proposal hereby accord permission for drawal of 325 KL per day or 0.13 cusecs (4 Mcft per year) from Muniyeru River to M/s Sentini Beverages (P) Ltd., Gandapalli (V), Kanchikacherla (M) Krishna District for the proposed Industrial Unit for consumptive use for industrial purpose for a period of **2 (TWO) years** subject to payment water charges as per G.O.Ms.No. 39, I& CAD Dept., dt. 2-4-2002 and conditions as stipulated in Board of Revenue standing orders and general conditions as detailed below.

1. The water can be spared based on the availability of water in River Muniyeru.
2. The entire cost of construction of pump house, pipeline excavation etc, should be borne by the industry only.
3. Water meters or suitable measuring devices should be installed by the Industry at their own cost to measure the water Consumed and should be made available to the Department Authorities and the representatives of the user shall be present at all times for inspection.

4. The Industry should pay water rate at the existing rates and subject to revision by the Government from time to time. In case of failure to pay water Rate/Royalty the permission to draw water shall stand cancelled.
5. No field Bodhi or pipe line shall be taken through or along with Government land with out approval of Government and if permission accorded by the Government the lease of Government land should be paid as fixed by Government only.
6. The Industry shall obtain the prior concurrence of concerned Departments for laying pipe line and for crossings etc.
7. The Industry should make their own arrangements for supplementation of water in their premises only.
8. The Industry should make their own arrangements to dispose the treated Effluents as per norms of A.P Pollution Control Board in their premises only and should obtain prior permission if any needed from Government to dispose Treated effluents in natural sources.
9. The Irrigation Dept reserves the right for cancellation of the permission with out assigning any reasons thereof.
10. The Irrigation Dept is no way responsible for non supply of water due to any reasons.
11. The Industry must acquire the private land for installation of pumping arrangements. If the Industry purposes to utilize Government land for installation of pump House, necessary permission is to be obtained from the Government for leasing the land and the lease amount as fixed is to be paid by the Industry.
12. The Industry must strengthen the river margin 100 meters on either side of the proposed off take point to avoid slips, erosion of banks and to protect existing margins as directed by the Department.
13. The Industry should lay the pipe line duly leaving not less than 1 meter from the toe of the flood bank.
14. The Industry has to lay CC (1:4:8) before laying the pipe line and CC (1:2:4) over the pipe line refill the pipe line with proper soils and consolidate the banks as directed by the Dept.
15. The Industry as to construct CC walls to avoid leakages at pipe line crossings.
16. The water drawn from the Muniyeru river should be utilized for the purpose for which permission is granted. Any misuse in this regard will entail cancellation for the permission with out any notice and liable for imposition of penalty.
17. The Industry should follow the Revenue Board standing orders.
18. The Industry shall pay security deposit at 2.5% on Two years water charges for which permission is granted.
19. The permission accorded shall be for a period of 2(TWO) years only. The permission shall have to renewed well in advance before the expiry of permission.
20. The industry shall pay one year water charges as advance and any amounts due to the Department before entering into agreement.

21. The Industry should pay Royalty charges as per the G.O.Ms.No.39 I&CAD dt: 2.4.2002 at the rate of Rs.1.50/1000gallons as the water is used for consumptive use or at the revised rates fixed by Government from time to time.
22. The Industry should make its own arrangements for summer storage in their premises only.
23. The Industry has to conclude an agreement with the Irrigation Department.
24. A detailed plan showing the location the intake arrangements, details of pump house, conveyance system etc. shall be furnished to the Department.
25. The industry shall abide any other condition laid down by the Government/Department from time to time.
26. The firm has to pay the water charges for the estimated quantity in advance to the start of the financial year i.e. before 10<sup>th</sup> April every year as per B.S.O.
27. The consumptive utilization of 325 KL/day or 0.13 Cusecs (4 Mcft/Annum) as required should not exceed under any circumstances.
28. The Department is no way responsible for any damages that may occur to the off take point.
29. The permission does not confer any riparian right to the Industry.
30. Non adherence of any of the above conditions by the Industry entails cancellation of the permission.
31. Necessary clearance/concurrence from the District Collector concerned and A.P. Pollution Control Board are to be obtained in this regard by the firm before drawl of water from the Source.

4. The Engineer-in-Chief (Irrigation), Erramanzil, Hyderabad, shall take necessary further action accordingly in the matter.
